

Hello, my name is Ryan Willey and it is out of love and respect for my great uncle Reginald Temple and Francis M. Lamoureux that Pipes to Honor was created.

I offer my piping services free of charge to any Veteran who served or is serving in a foreign war from the Hampshire County area of Massachusetts.

My respect for Reginald and Francis is profound not only for what they accomplished in WW2 but for how they lived their lives after the war.

It has been a humbling experience playing for Veterans. They all have extraordinary stories to be heard. A joyful part of this is welcoming a loved one home from Iraq, or Afghanistan. I would like to encourage other pipers and musicians to offer their services, in doing so we will all have a better understanding of their sacrifice for us and others around the world. Please join me in this effort by contacting your local Veterans services office and funeral homes in your area. We are the people who should honor them both in life and after.

Respectfully

Ryan Scott Willey
